Dear Discord Team ,

I am writing to express my strong interest in the internship position at discord, as advertised. With a solid foundation in web development and a passion for creating user-friendly interfaces, I am confident in my ability to contribute effectively to your team.

I am currently pursuing a Master's at BBAU University, where I have gained extensive experience in front-end development using React. In my previous projects, I successfully implemented responsive and interactive user interfaces, showcasing my proficiency in JavaScript, HTML, and CSS.

Here are some key skills and qualifications I bring to the table:

- Strong proficiency in React and its ecosystem.

- Experience in designing and implementing RESTful APIs.

- Solid understanding of front-end build tools and deployment processes.

- Ability to collaborate effectively in a team environment.

Thank you for considering my application. I am looking forward to the possibility of discussing how my skills and experiences align with the needs of Discord. Please find my resume attached for your reference.

Sincerely,

Abhinav Pandey
